SWITCHES THAT LIGHT ELEGANCE

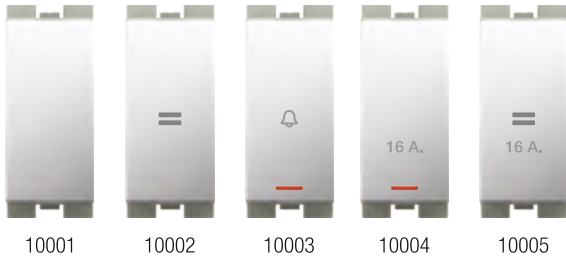

ART +

Art & Innovation!

The basic white modular switches were the effective installation in many homes and offices that came with standard fittings. To uplift the ambience and décor, the idea of Artino switches came to place.

They are an impeccable blend of art and innovation. Experience a pool of elegance and luxury with this range.

Excellence and Eminence.

Alemac stands for quality, excellence and eminence. Thriving to deliver high-quality products and the best for the value, our base frames comprises of high-grade metal covered with heavy duty malleable material on both the sides.

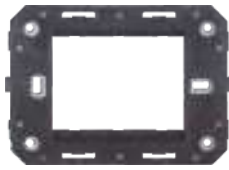

This ensemble is extremely durable and enables to you install the cover plates on a flat surface without leaving any gaps between the wall and the cover plate.
